Dear Steve,

Attached is one of the two letters we discussed. Could you please request that this letter be updated to reflect today's reality for Arkwood site reuse and sent again to Mr. Norton?

Thanks,
Curt

Hi Casey,

The below-named gentleman, Mr. Norton, is interested in the Arkwood site, as he had been informed that it is available for industrial redevelopment, with conditions.

Mr. Norton requested a letter from EPA confirming that I do have your approval to actively seek BFPPs for the Arkwood site. (Mr. Norton would not be the BFPP, but is the agency director who might be publicizing the Arkwood site's availability.)

Could you please write him such a letter and copy me? I would like to use it in the future to show anyone else who may have this question. (Sorry I don't have his email address.)

Thank you,

Curt
